

Want to Boost Re-orders?

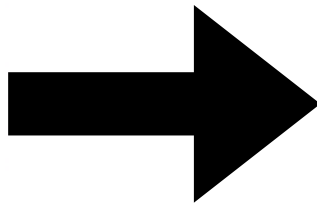

Solution: Get Your Products Ordered at the Trade Show on to Your Retailer's Website

Step 1:

Nice work:
You wrote a nice order at the Dallas or Atlanta show.

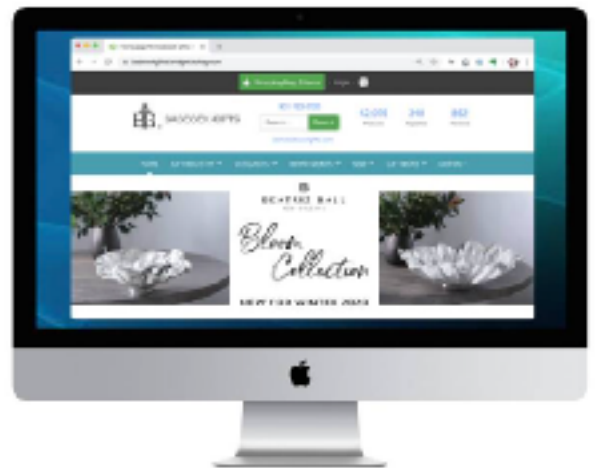

Example of a showroom at the trade show.

Let's get your showroom's products onto your retailer's website...

Step 2:

Next:
Help your retailer get the ordered products online—so the retailer can sell them and place a re-order.

Solution:

Sync products with the retailer via your Shop Local Platform.

Facts:

- Stores that Sync your products will instantly show your products online.
- Stores report selling 18% more due to Syncing.

How to Help Your Store:

2 Ways:

1. Send a Sync request to the retailer that placed the order. You can send it from your Shop Local account.
2. Send them a link to: shoplocal.org
